

Dear Pharmacist,

Gesticare DHA has a new NDC number you will need to use when ordering or filling prescriptions.

Physicians will continue to prescribe Gesticare DHA as they always have. The Package size/Description, Dosage Form, and WAC of Gesticare DHA remain unchanged.

Here are the new NDC Code and item numbers:

NDC Number	AmerisourceBergen	Cardinal Health	McKesson
New: 18860-0253-30	005-439	4243440	1207802
Old: 18860-0353-30	816-280	4119541	1413673

Download a PDF of the new Gesticare DHA specifications sheet with complete information, including full prescribing information.

Thank you,
